### MetLife Pet can help cover unexpected costs and routine care

Visits to the vet can be unpredictable. According to the 2022 Pet Parent Pulse Poll Findings, most pet parents are facing rising care costs to keep their pets happy and healthy, with 54% of owners worried about being able to care for their pets in the future with economic uncertainties.

MetLife Pet can help protect your pet's health and your wallet.

### How it works

Hypothetical savings example when visiting a licensed veterinarian, specialist or emergency clinic in the U.S.

*Bella, a two-year-old mixed-breed dog, needed emergency surgery after swallowing some small rocks. Bella pulled through, but not until incurring an emergency vet bill of \$2,560. Since I had MetLife Pet Insurance, I received a 90% bill reimbursement after meeting the deductible. Thanks to my smart decision to enroll, I saved \$2,304 in out-of-pocket vet expenses.<sup>1</sup>*

## Frequently Asked Questions

### What is Pet Insurance?

**A.** Pet insurance works much like other types of insurance. For a monthly fee (also called a premium), you'll have coverage that can help reduce the financial impact of expected and unexpected veterinary care.

### Can I still use my vet?

**A.** Yes, you can visit any U.S.-licensed veterinarian, emergency clinic or specialist. You and your chosen veterinarian can determine the best treatment plan and medical course of action for your pet.

### What does it not cover?

**A.** Pre-existing conditions are not typically covered in pet insurance; however, MetLife will cover pre-existing conditions that were previously covered for those switching from another pet insurance provider\*—to learn more about what's not covered, visit [metlifepetinsurance.com/coverage-exclusions](https://metlifepetinsurance.com/coverage-exclusions).

### When does coverage start?

**A.** MetLife Pet Insurance offers some of the shortest wait periods for accident and illness coverage.<sup>9</sup> Accident coverage and optional preventive care coverage begin on the effective date of your policy. Illness coverage begins 14 days later.

### How much will it cost?

**A.** Each pet's premium will be unique based on the age, breed, location and selected coverage amount.<sup>10</sup> **You will be automatically eligible for a 10% Employer Group Discount<sup>10</sup>** and additional discounts may be available<sup>2</sup>. Plus, if you go claim-free in a policy year, we'll automatically decrease your deductible by \$50.<sup>11</sup>

### How does the MetLife Pet app work?

**A.** Our MetLife Pet app allows you to manage your pet insurance account from anywhere. **Plus, we make it easy to:**

- Submit and track claims
- Manage your pet's health records
- Talk to an expert with 24/7 live vet chat<sup>5</sup>
- Find nearby pet services

### How do I pay for my coverage?

**A.** You can set up an automatic payment via credit card through the online portal or call center. ACH (electronic bank-to-bank payment) is available exclusively in our call center.
